1 Light Wall Sconce

Add a touch of elegance to your home with the Mid-century modern-inspired Reeva collection. Paired with Modern Brass hardware and details, the clean look of the conical metal shades is offered in sophisticated color options. The black shade has a matte finish; while the ivory shade is glossy. The shade interiors are painted to match the exteriors. Personalize your fixtures by installing on the wall or ceilings, orienting horizontally or vertically, as well as pivoting the shades for directional lighting. Install these damp-rated fixtures in any room.
