2 Light Wall Sconce

Nature-inspired decor done in a tasteful and highly adaptable way, the beautiful details of the Cay collection leave nothing to be desired. Our designers let their imaginations run wild when they incorporated these realistic, curved palm fronds into functional art. The multi-layered Vintage Fired Gold finish effectively adds dimension. A bright and elegant way to illuminate, these transitional, organic-inspired fixtures make a lasting impression. The bright Ivory Linen fabric shade complements the gold finish. This 2-light wall sconce looks great when hung alone, but even better when flanking a mirror or large piece of artwork.
