Linear Pendant

Embrace nature's elegance in a modern way. Skillfully hand-wrapped in soft, organic rope, Kimber has a warm, elegant look. A pleasant monochromatic palette blends the light tones of the natural rattan fabric with the tawny glow of the Modern Brass finish. Seamlessly coordinating with today's trends, natural accents work well with rattan furnishes, while the gilded finish pairs beautifully with gold plumbing fixtures and hardware. Exposed bulbs create radiant illumination for a warm ambiance that complements the refined, rustic appeal of the collection. Use the organic charm of this naturally inspired series to transform your space. This linear pendant features pivoting swivels on a dual canopy to allow for versatile installation, including installation on sloped ceilings.
