Semi-Flush (with shades)

Axel is an artistic series of contemporary fixtures. Offered in two popular finishes; Matte Black and Olympic Gold with multiple glass and metal shade choices, this mid-century inspired collection features an extensive range of options. Personalize the look of the fixtures by adjusting the placement of the sputnik arms to suit your fancy. The functional, mobile arms can be positioned to spread light in all directions. This semi-flush was designed for close-to-ceiling applications.
